

Dear Club Member,

Please read the consent form below and tick all the circles that you are happy to tick and return to Louise Bunting, our new Membership Secretary, in the stamped addressed envelope that is included in this Gazette. This will allow us to have a membership list that is useful to all members and comply with all aspects of GDPR in one hit. I know that this seems very burdensome, but in reality will only take seconds to do and will allow our wonderful club to continue to thrive.

It should be remembered that a membership list becomes more useful the more members it includes and the data that the Club holds concerning its members is of the lowest order of risk. The GDPR requires each of us to specifically opt in to various preferences to facilitate this. If you are an overseas member you will either need to add the appropriate postage to the stamped addressed envelope or scan the completed form and return it to Lou by e mail to louise@tanyardfarm.co.uk.

Steven Pryke
Frazer Nash Car Club Captain

Name:
Address:
Home telephone number:
Mobile telephone number:
e-mail address:

- You are happy for your name, address, telephone number, e mail address and Frazer-Nash and GN cars that you own to be included in a members list that will only be available to other members in accordance with GDPR principles
- You are happy to receive communication from the club concerning club events and club news.
- You are happy for historical details which the club holds of your car(s) to be available to other club members on request.

Signed: Date:

If you have any issues with any of the above preferences, please contact the Club Captain or Club Secretary.
