

THE FRAZER NASH CAR CLUB LTD

GENERAL INFORMATION SHEET

The FRAZER NASH CAR CLUB, founded in 1933, became a Section of the Vintage Sports Car Club in 1948 and was re-formed in December 2005 as the Frazer Nash Car Club Limited (FNCC), an independent company, limited by guarantee.

Its purpose is to encourage the preservation of chain-driven Frazer Nash and GN cars, to maintain a register of all existing cars and to facilitate the interchange of technical information and spares.

Membership

There are five classes of membership:

HONORARY	awarded by a majority vote at an AGM.
FULL	limited to owners of chain gang cars.
ASSOCIATE	open to past or prospective owners of FN and GN chain drive cars and owners of post-war Frazer Nash or Frazer Nash BMW cars.

Competition

The Club encourages Members to enter their cars in all types of competition and we are registered with the MSA. We have a large number of annual aggregate trophies and there are also various awards for the best performances by 'Nashes' in VSCC events.

Spares

There is an active spares scheme for the manufacture of new parts to the original specifications and many items are held in stock. This scheme is only available to Members.

Social Events

Functions are held from time to time. There is a Summer Picnic and early in December each year we hold the famous Christmas Party. Every ten years there is a Raid to the South Tyrol - the next one will

be in 2019 - other Raids are held annually either at home or overseas.

The Newsletter

A newsletter is sent to all Members, at intervals, to keep them informed of Club affairs and to remind them of forthcoming events. The newsletter is written by the Secretary and any items, including advertisements, which you may wish to have included should be sent to him.

The Chain Gang Gazette

This high quality magazine is published three times a year and is sent to all Members free of charge. The Editor is Tom McEwen who has a limited supply of back numbers available. Contact details: 43 South Street, Pennington, Lymington, SO41 3PL, tel. 01590 675397. Email: tandbmcewen@gmail.com Reprints of the very early Gazettes (nos. 1 – 20 which were simple Roneoed sheets but make fascinating reading), are available from the Secretary.

Registry

The Frazer Nash Car Club maintains a Register of both pre-and post-war cars and this information is accessible. GN, Frazer Nash and AFN together produced a relatively small number of cars, which means that we have detailed information on nearly every one in existence. If you are interested in buying one of these cars and particularly if you plan to participate in Club events and competitions, you would be advised to make yourself fully aware about the vehicle before you make a commitment - especially as a number of more recently produced replicas are in existence.

All enquiries should be forwarded to Winston Teague, the Registrar, whose contact details are: Mr W J Teague, 43 Eardiston, Nr Tenbury Wells, WR15 8JJ, tel 01584 881240. Email winston.teague@virgin.net.

Those enquiries concerning post-war Frazer Nash cars will be directed in turn to James Trigwell who sits on the Committee representing that interest. Enquiries concerning Frazer Nash BMW cars will be passed to Mark Garfitt who, as well as being a FNCC Member, is also in the BMW Historic Car Club.

Workshop Manuals

We have a first-class and indispensable workshop manual compiled from earlier Gazettes and available by mail order at £45 inc. from Longstone Tyres, tel. 01302 711123.

Regalia

This includes such items as Club ties, badges, jerseys, mugs, scarves, umbrellas, etc. and is handled by one of our Members.
