Before the Club can communicate with a member by means of website communication, the relevant member must agree that the Club may send or supply documents or information to him by means of a website, and the Club must either have received a positive response or have received no response within the period of 28 days beginning with the date on which the request was sent. By signing above and providing an email address to the Club, the Club will be able to communicate with you electronically and/or through our website. The Club will notify you (either in writing, or by other permitted means which will include by the Club's emailed news letter) when a relevant document or information is placed on the website and you can always request a hard copy version of the document or information.
